

CITTÀ

Lily Side Table

The Lily Side Table brings a soft, elegant presence to living spaces. The tabletop features a gently curved lip, creating a subtle tray-like surface that helps keep objects in place while softening the overall form. This delicate edge detail adds a sense of lightness and refinement to the table's understated character. A capsule-shaped stem allows the table to sit neatly alongside a sofa or armchair.

Available in three sizes with the tables nesting as a series. Made from FSC®-certified solid oak and finished with a clear matte PU lacquer. Designed in our New Zealand studio by Haydn Nixon.

Care Instructions

Wipe clean using warm damp cloth. Avoid leaving water sitting on the surface as this can damage the product. Avoid the use of scouring pads, scouring cream or cleaning products containing alcohol as they may cause damage. We do not recommend placing wooden furniture in direct sunlight or near sources of heat. As the wood ages, the natural colour will change and darken. The natural characteristics of wood cause it to expand and contract with changes in humidity. Prolonged exposure to these environments may cause the timber to dry out, shrink, crack, or fade over time.

Residential Warranty: 3 years

Commercial Warranty: 3 years

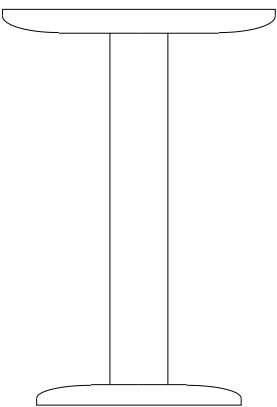

Assembly required. See instructions PDF.
