

CITTÀ

Point Floor Lamp

The Point floor lamp is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen.

The unique lamp makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The lamp emits an ambient light from the clear, grey or amber shade. The steel column has an integrated switch at the top allowing you to dim the light.

Point Floor Lamp

Material

Mild steel, Glass

Colour

Smoke Grey Glass
EBL0008FL

Clear Glass
EBL0007FL

Amber Glass
EBL0025FLU

Dimensions Assembled:

ø30 x 150 cmh

Weight Assembled:

Glass Sphere + Base Plate: 2.32 kg

Lamp Stand: 0.18 kg

Dimensions Packaged:

Glass Sphere + Base Plate: 37.6 x 37.6 x 45 cmh

Lamp Stand: 149.5 x 55 x 45 cmh

Weight Packaged:

Glass Sphere + Base Plate: 6.98 kg

Lamp Stand: 0.88 kg

Care Instructions

Carefully clean with a warm damp cloth.
Refer to Point lighting range cleaning guide.

Assembly Instructions

Assembly required. See instructions PDF.

Residential Warranty: 2 years

Commercial Warranty: 2 years

Specifications

- Integrated 2 W 2700k LED light source
- Lumen rating: 45 LM
- Cable Length: 150cm
- Plug: Yayao LED driver, Model #YM12WO350PEU
- In Line Switch: Yayao constant current dimmer, Model #YM24VRD350A
- On/Off and dimmer switch integrated into top of stem
- LED has a 50,000 hour expected lifespan
- Not IP rated for bathroom or wet area use
- When assembling the light, please ensure it is not plugged in or turned on
- To connect the pole to the base, rotate the thread clockwise until the pole sits flush with the base
- Place the glass shade on the collar, then wind on the threaded top cap until it is flush with the glass
- There might be a small amount of movement in the glass once complete. This is intentional for movement if bumped
