(190cm extended)

Weight Packaged: 44.4 kg

Weight Assembled: 39.6 kg

Residential Warranty: 3 years

Commercial Warranty: 3 years

Assembly Instructions

Assembly required. See instructions PDF.

Care Instructions

Wipe clean using a warm damp cloth. Avoid leaving water sitting on the surface as this can damage the product. Avoid the use of scouring pads; scouring cream or cleaning products containing alcohol as they may cause damage.

Avoid placing furniture next to a source of direct heat or in direct sunlight, these conditions can cause excessive dryness and potentially create cracks to components as well as irreversible changes to the colour of the timber.

Make sure you expose the extendable leaf to the same amount of light as the table to ensure they change in colour evenly and consistently. Please note, the table is designed so that the grain matches up when the table doesn't have the extension leaf inserted, the extension leaf comes from the end of the same piece of veneer but won't match perfectly when inserted into the middle of the table.
