## Holi Chair & Stool

---

The considered design of the Holi chair and stool allows you to relax your back while maintaining a comfortable seating position. Its metal base, powder-coated in black, perfectly complements the contoured polypropylene shell, resulting in a sleek, monotone aesthetic.

Holi was designed to create a stylistic continuum between indoor and outdoor furniture to satisfy any living space requirement. It is suitable for both residential and commercial spaces.

Designed in Switzerland by Simone Viola. Produced by international furniture manufacturer TOOU.
